

C Major

You lucky people — it's scale time!

C Major Scale

C Major Arpeggio

As a special treat your kind examiner will let you play your scales tongued and slurred.
Practise them both ways with a full, well-supported sound across the whole range.

Wooden Heart Trad

Moderato

Composers are crafty people: they use little bits of scales and arpeggios in their tunes.

All of the tunes in this book have been carefully chosen because they give you lots of practice at playing your scales and arpeggios.

No doubt you will be very grateful and look out for them as you play — won't you?

Muck Spreader Song Trad

Moderato

Learn this by heart and you will be able to play a C arpeggio.
Try it backwards.
