Tico Tico

Zequinha de Abreu

Arranged by David Marlatt

This classic Latin piece has become a favourite with audiences all over the world. The great groove of the tune will quickly catch the audience and transport them to a warmer climate. This is mainly a Cornet section feature but the Euphoniums and the Flugel Horn get their turn with some melody. Some players will have to be “borrowed” from the band to perform all the percussion parts. This shouldn’t take much time to put together and you’ll be guaranteed standing ovations!
